Nicole - Thanks. I will tell Bill/Christina tomorrow. Did you already tell Dan today when he called you about Runkle and the Blg 204/SB990 issues?

I will have Art post the letter on the website.

Yes - I think we should post it to our website. I just talked to Dan yesterday but I forgot to mention it. You can let Bill and Christina know and I can call Dan.

Just confirm that you want me to do that or if you'd like to call.

Nicole -

1. Should we make our notification phone calls now? I will be seeing Bill/Christina tomorrow for the cultural resources tour/meetings. I could give Dan H a call. Whatta think?

2. Should we post this letter on our Website? I think YES.
